

How to Make Memory Box Station

Materials

Display Posters:

Memory Box Directions

Outside Brain Poster

Inside Brain Poster

Two Boxes or Lunch trays with towels over them to hide objects.

One set of random objects(for example:yo-yo, rock,ribbon,can, leaf, magnet, key, paint)

One set of related objects(for example:pencil,tape,notepad, protractor, ruler, eraser)

Optional:Display Frames can be purchased for \$4.86 at(1-800-572-2194) or through this link: [ASF](#).

What to Do

Put random objects into a one box and label it "Box #1".

Put the related objects (like school supplies) into the other box and label it "Box #2".

Close the boxes and you are ready to try this station.
