One or Two Etch-A-Sketches-you can find these in the toys at Target.

Optional: Display Frames can be purchased for \$4.86 at(1-800-572-2194) or through this link: [ASF](#).

What to Do

Take the Etch-A-Sketch and draw a right triangle on the view area. It rubs off so check to see if you need to re-draw the triangle before having students do this station.
