

How to Make a Try Angle Station

Materials

Display Poster: Try Angle Directions

Display Poster: Outside Brain

Display Poster: Inside Brain

One or Two Etch-A-Sketch devices

Optional: Display Frames

for purchase info, see Try Angle lesson page

What to Do

Using the Etch-A-Sketch, draw a right triangle in the view area. If shaken, the screen clears so check to see if you need to re-draw the triangle before asking students to work at this station.
